

MEET VAISHNAV

ANDROID DEVELOPER

Passionate Android developer with 3+ years of hands-on experience, I possess a strong foundation in mobile app development, specializing in Android platforms. Proficient in Kotlin and Java, I have successfully contributed to the design, development, and maintenance of innovative Android applications. Skilled in collaborating with cross-functional teams, I bring a proactive approach to problem-solving and a commitment to delivering high-quality, user-friendly solutions. My experience includes implementing UI/UX designs, and staying updated on the latest Android trends and technologies. Eager to leverage my skills to contribute to dynamic and challenging projects in a collaborative development environment.
